The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **FINLAND**

2. Agency responsible: Electrical Inspectorate

3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (HS where applicable, otherwise national tariff heading):

   - **Switches**

5. Title: E 669-89 Switches for Household and Similar Fixed Electrical Installations (available in Finnish, 142 pages)

6. Description of content: This Draft, E 669-89, is a new Finnish edition of the IEC Publications 669-1 with Amendment No. 1, 669-2-2 and 669-2-3 and the Draft IEC 23B (Central Office) 88 with certain further national information and deviations.

   The new edition purports to decrease deviations from the earlier edition of E 669-84. Most of the remaining deviations have been dealt with and agreed on within CENELEC, and many other deviations will be eliminated when new amendments to the IEC Publication 669-1 are issued.

   The new edition also covers 16 A switches with screwless terminals, which are widely used in our country.

7. Objective and rationale: Electrical safety

8. Relevant documents: Will be published as a circular of the Electrical Inspectorate

9. Proposed dates of adoption and entry into force: 1 January 1990

10. Final date for comments: 25 September 1989

11. Texts available from: National enquiry point [X] or address of other body:
