4. Products covered (HS where applicable, otherwise national tariff heading):
   
   Loader cranes

5. Title: Amendment of the Decision of the Council of State on Loader Cranes and Their Inspection

6. Description of content: Amendment of the decision of the council of state on loader cranes and their inspection from 30 March 1983, No. 354

   Amended sections:

   2 §

   In this Decision, "loader crane" means a crane which is installed on a lorry, a working machine, a trailer or some other vehicle and which is mainly intended for loading the vehicle.

   5 §

   In hydraulic loader cranes, as defined in standard SFS 4772, point 4.6.4., the cylinders carrying the load shall incorporate a device precluding any uncontrolled movement of the cylinder in case of a rupture in the pressure pipe of the hydraulic system.

7. Objective and rationale: Occupational safety

8. Relevant documents: The Decision will be published in the Statutes of Finland.
