The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: SWEDEN

2. Agency responsible: Swedish Electrotechnical Commission
   Swedish National Energy Administration

3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (HS where applicable, otherwise national tariff heading):
   Electrically-heated blankets, pads and similar flexible heating appliances for
   household use (SS EN 60 967)

5. Title: Draft Swedish Standard Concerning Safety of Electrically-Heated Blankets,
   Pads and Similar Flexible Heating Appliances for Household Use

6. Description of content: The draft standard consists of a translation of IEC
   Publication 967 (1988), edition 1, safety of electrically-heated blankets, pads and
   similar flexible heating appliances for household use, together with a deviation
   list which includes the common modifications agreed upon by CENELEC according to
   EN 60 967.

   The draft will be published as a Swedish Standard to which the Swedish National
   Energy Administration will refer and will be used in connection with approval by the
   Swedish Institute for Testing and Approval of Electrical Equipment, SEMKO.

7. Objective and rationale: Safety to man and property

8. Relevant documents: SS EN 60 967

9. Proposed dates of adoption and entry into force: To be determined later

10. Final date for comments: 15 January 1990

11. Texts available from: National enquiry point [X] or address of other body:
