NOTIFICATION
The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **SWEDEN**

2. Agency responsible: Swedish National Energy Administration

3. Notified under Article 2.5.2 [], 2.6.1 [X], 7.3.2 [], 7.4.1 [], Other:

4. Products covered (HS where applicable, otherwise national tariff heading):
   - Electrical products

5. Title: Draft Regulation on Mandatory Registration and Approval of Electrical Products

6. Description of content: The draft contains requirements supplementing the draft Ordinance on Electrical Equipment, at present circulating as TBT/Notif.89.18.

   The draft lists such products which must be registered with the Swedish Institute for Testing and Approval of Electrical Equipment, SEMKO, before they are manufactured or imported for domestic use or professionally sold or rented out.

   A limited group of products listed in the draft as high-risk products must be approved by SEMKO before they are registered.

   The National Energy Administration will issue further requirements concerning the control system for products covered by the Regulation.

7. Objective and rationale: Protection of human life and health

8. Relevant documents: Ordinance on Electrical Equipment (at present circulated as TBT/Notif.89.18). When the Regulation enters into force the applicable regulation concerning approval of electrical products (STEV-FS 1985:4) will be abrogated.

9. Proposed dates of adoption and entry into force:

   9 June 1989 and 1 January 1990, respectively

10. Final date for comments: 2 May 1989

11. Texts available from: National enquiry point [X] or address of other body:
