### NOTIFICATION

The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** FINLAND

2. **Agency responsible:** Electrical Inspectorate

3. **Notified under Article:** 2.5.2 [], 2.6.1 [], 7.3.2 [X], 7.4.1 [], Other:

4. **Products covered (HS where applicable, otherwise national tariff heading):**
   - Low temperature PVC-insulated non-sheathed cables for fixed wiring

5. **Title:** T XX-89 Finland's Accession to the HAR-Agreement and its Influence on the Conditions of Handling and Installation of some PVC-Insulated Power Lines of Fixed Installation (Available in Finnish, 3 pages)

6. **Description of content:** The Electrical Inspectorate Draft Bulletin T XX-89 includes an announcement of the Finnish intention to adopt the CENELEC HAR-Agreement. This adoption will involve the following changes to the present situation:
   - the present national types of low temperature PVC-insulated non-sheathed cables for fixed wiring will be withdrawn
   - the forthcoming CENELEC low temperature types H07V3-U, R, K will be nationally standardized
   - the general purpose types H07V-U, R, K will be nationally standardized and accepted, but restrictions with regard to their installation and handling will be introduced based on the lowest temperature +5°C.

7. **Objective and rationale:** Electrical safety (adoption of the HAR-Agreement as far as it is possible considering the Finnish climatic conditions).

8. **Relevant documents:** Will be published as a Bulletin T XX-89 of the Electrical Inspectorate.

10. Final date for comments: 15 May 1989
