1. **Party to Agreement notifying:** SWEDEN  

2. **Agency responsible:** National Environmental Protection Board  

3. **Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], other:**  

4. **Products covered (CCCN where applicable, otherwise national tariff heading):**  
   - Light-duty trucks (ex HS 87.04)  

5. **Title:** Draft Regulation Concerning the Control of Air Pollution from Motor Vehicles - A 13-Regulation (relevant documents available in English)  

6. **Description of content:** The draft contains requirements which will complement the A 12-Regulation, previously notified and circulated as document TBT/Notif.87.40. The draft will be applicable to motor vehicles of 1992 and later model year light-duty trucks with spark or compression ignition. The regulation contains those requirements which have to be fulfilled before a manufacturer will get a Certificate of Conformity. This is needed in order to be able to sell cars in Sweden. There is also a procedure for conformity of production audits.  

7. **Objective and rationale:** Improvement of the conditions for public health and the environment  

8. **Relevant documents:** The A 13-Regulation will be published in the Statute Book of the National Environmental Protection Board.  

9. **Proposed date of adoption and entry into force:** Adoption: to be determined later (the regulation will be applied on a voluntary basis from 1 July 1989). Entry into force: two weeks after publication  

10. **Final date for comments:** 23 May 1989  

11. **Texts available from:** National enquiry point [X] or address of other body:
