The following notification is being circulated in accordance with Article 10.4.

1. Party to Agreement notifying: **PHILIPPINES**

2. Agency responsible: Department of Trade and Industry, Bureau of Product Standards

3. Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], other:

4. Products covered (HS or CCCN where applicable, otherwise national tariff heading):

   Transformers

5. Title: Philippine National Standard Specification for Isolating, Insulating and Power-Supply Transformers, as well as for Other Transformers with Separate Windings (available in English, 8 pages)

6. Description of content: This standard applies to isolating transformers up to 1,000 volt ampere, insulating transformers with voltages up to 600 volts and above and power-supply transformers, as well as for other transformers with separate windings rated up to 5,000 volt-ampere intended for use in single-phase and three-phase alternating current systems with voltages up to 600 volts at frequencies up to 60 Hz.

7. Objective and rationale: Consumer assurance to the product's safety and reliability.

9. Proposed date of adoption and entry into force: 1 July 1991

10. Final date for comments: 31 May 1991

11. Texts available from: National enquiry point [X] or address of other body:
