The following notification is being circulated in accordance with Article 10.4.

1. **Party to Agreement notifying:** NORWAY

2. **Agency responsible:** State Pollution Control Authority

3. **Notified under Article 2.5.2 [X], 2.6.1 [], 7.3.2 [], 7.4.1 [], other:** [Blank]

4. **Products covered (HS or CCCN where applicable, otherwise national tariff heading):**

   The regulations apply to chemical substances and preparations.

   The regulations do not apply to solid, processed articles, with some exceptions.

5. **Title:** Amendments of Regulations Concerning Labelling, Sale etc. of Chemical Substances and Preparations that May Involve a Hazard to Health (The Health Hazard Labelling Regulations)

6. **Description of content:** Draft Amendments to §§ 3, 5-7 and 13 of the Health Hazard Labelling Regulations.

   The most important proposed amendments are as follows:

   - the absolute list for classification of carcinogenic, reproductive toxic and mutagenic substances is done away with (§§ 5 and 6)
   - more stringent requirements concerning preparations containing low concentrations of Kl-substances (§ 7)
   - the authorities are given access to define individual percentage limits for substances, to be used during classification of preparations (List of Substances) (§ 7). (11 pages, available in English)

7. **Objective and rationale:** Prevent hazards to health

8. **Relevant documents:** Draft Amendments to §§ 3, 5-7 and 13 of Regulations concerning Labelling, Sale etc. of Chemical Substances and Preparations that may Involve a Hazard to Health, (the Health Hazard Labelling Regulations) of 1 June 1990.
