<td></td>
</tr>
<tr>
<td>6. Description of content: To enhance consumer protection by securing continued provision of After-Sales Service for imported electrical appliances. The summary of this revised article is as follows:</td>
<td></td>
</tr>
</tbody>
</table>

- When a person imports electrical appliances, he shall report the fact, within 10 days from the date of his import, to the Chairman of the Korea Electrical Appliances Safety Control Association. According to the original text before revision, the importer was supposed to report to the Administrator of the Industrial Advancement Administration (IAA).

- When a person acquires type approval for electrical appliances, he shall report the fact to the Chairman of the Korea Electrical Appliances Safety Control Association. According to the original text before revision, the importer was supposed to report to the Administrator of the IAA.

- Where the manufacturer does not provide After-Sales Service and the importer arranges for After-Sales Service to be provided for consumers by a proxy company, the importer shall immediately report any change in the After-Sales Service arrangements to the Chairman of the Korea Electrical Appliances Safety Control Association.
