ADDENDUM TO THE REPORT OF THE FOURTH COMMITTEE TO THE CONFERENCE

In response to the communication from the Third Committee concerning the relation of shipping services to Chapter V (E/CONF.2/C.3/81 or E/CONF.2/C.4/22) the Fourth Committee held a meeting on 11 March 1948 as a result of which the following changes were made in its Report to the Conference (E/CONF.2/53):

Part I - Paragraph 5

At the fifteenth meeting of the Committee the delegations of Denmark, Greece, Norway, India, Pakistan and Sweden withdrew the reservations previously recorded. The delegations of Chile, El Salvador, New Zealand and Venezuela reserved their positions on Article 50 in the light of the notes adopted at that meeting relating to that Article. Certain of these reservations were indicated to be of a provisional character pending further consideration.

Part II - Under the heading "Article 50"

The following paragraph was added:

"The note to Article 50 was added in order to avoid conflicts of responsibility and jurisdiction between the International Trade Organization and the proposed Inter-governmental Maritime Consultative Organization."

Part III

At the end of Part III the following note was added:

"Note relating to Article 50, to appear in an Annex to the Charter.

"The provisions of this Article shall not apply to matters relating to shipping services which are subject to the Charter of the Inter-governmental Maritime Consultative Organization."
