NOTE BY THE PRESIDENT

CENTRAL DRAFTING COMMITTEE

In view of the heavy burdens which are imposed upon the Central Drafting Committee at this stage of the Conference and of the heavy concurrent demands on his time for other important duties in the Conference, Mr. Royer has asked me to relieve him from his responsibilities as Chairman of the Central Drafting Committee. The first Vice-President, Mr. Max Suetens, has, at my request, kindly consented to assume the direction of the work of the Central Drafting Committee.
