Mr. Sergio I. Clark  
President of the United Nations Conference  
on Trade and Employment  

Sir:  

I have the honour to inform you that at the meeting held by this  
delegation this morning, the following resolution was unanimously adopted:  

"The Cuban delegation resolved to approve the statements made  
by the Chairman regarding the freedom of access of journalists to  
sources of information and instructed him to initiate action to  
obtain the revision of the General Committee's decision, so that  
information on the work of Committees and Sub-Committees may continue  
to be issued in the same manner as prior to the adoption of the  
General Committee's resolution."

I therefore ask you to be so kind as to arrange that this question  
be placed on the agenda for the next meeting of the General Committee of  
the Conference or for the next Plenary Meeting, with a view to obtaining  
the repeal, or an explanation of the decision on press releases, which  
has given rise to adverse comment by the national and foreign press.  

I have the honour to be, etc.

(signed) Gustavo Gutierrez  
Acting Chairman of the  
Delegation of Cuba
