CORRIGENDUM TO NOTES OF ELEVENTH MEETING

1. Under the sub-heading "Paragraph k, Preamble" on page 1, the last sentence of the first paragraph and the second paragraph should read as follows:

"The delegates for Argentina, Chile, Poland and Syria wished it put on record that in their view no final decision should be taken on this point until a definitive text of Article 93 was available, and the delegate for Argentina reserved his position. The delegate for Argentina also reserved his position in regard to the powers of the Organization specified in the Article as a whole."

2. On page 2, the paragraph header "sub-paragraph (d)" should read as follows:

"Sub-paragraph (d)

The delegate for Poland introduced his amendment (document E/CONF.2/50), but explained that, in view of the agreement by Heads of Delegations, he did not expect it to be approved; in order to save time, therefore, he would not press it if the delegations of the United Kingdom and the United States could not accept it. The amendment was not accepted. A proposal by the delegate of Argentina to substitute the text most recently discussed by the Working Party was also not accepted. The text of the Co-ordinating Committee was then approved. The delegate for Argentina reserved his position."
