Amendment to Article 12, Paragraph 1 (Proposed by Afghanistan Delegation as Amendments to Amendments by United States, Argentina, and Czechoslovakia)

Paragraph 1 is amended by adding to it the following sentence: "Reasonable measures to ensure participation by the nationals of a Member in the future expansion of any branch of economic activity within its territories through increased foreign investment shall not be deemed to be in conflict with the obligations assumed under this Article; Provided that, if the nationals of other Members whose interests are materially affected believe that the measure taken is inconsistent with the provisions of this Article, the Member taking the measure will provide adequate opportunity for consultation with a view to reaching a satisfactory settlement with the affected nationals."
