The Indian delegation proposes the following amendments:

1. Amend sub-paragraph (c) (i) of paragraph 1 as follows:
   To establish appropriate safeguards with respect to foreign investment, including measures necessary to ensure that such investment is not used as a basis for interference in the internal affairs or national policies of Members.

2. Amend sub-paragraph (a) of paragraph 2 as follows:
   Subject to sub-paragraph (c) of paragraph 1 above and consistently with national laws affecting investments in general, to provide reasonable opportunities for foreign investments acceptable to them and adequate security for existing and future foreign investments.
