SECOND COMMITTEE: ECONOMIC DEVELOPMENT

CORRIGENDUM TO SUMMARY RECORD OF ELEVENTH MEETING

Chairman: Mr. ABELLO (Philippines)

The statement of the Chinese delegate shown in the eighth line from the bottom of page 5 of document E/CONF.2/C.2/SR.11 should be amended by the deletion of all words after "political instruments" and the substitution of the following text: "The Charter could at most require of Members only national treatment to foreign enterprises. If a member wished to attract foreign investments for purposes of economic development, it might offer better terms on its own initiative but this should not be required by the Charter."
