THIRD COMMITTEE: COMMERCIAL POLICY

PERU: PROPOSED AMENDMENT

Article 40

The Delegation of Peru wishes to substitute the following for the amendment proposed in document E/CONF.2/C.3/1/Add.42 and listed as Item 1 in the Annotated Agenda for Section F of Chapter IV (E/CONF.2/C.3/11):

Paragraph 1 (a)

Add at the end of this sub-paragraph the following words:

"provided that no quantitative import restrictions on agricultural or fisheries products may be imposed under this provision".

Reasons: The Delegation of Peru is strongly opposed to quantitative restrictions on imports of agricultural and fisheries products being permitted under the Charter. The above amendment supplements the proposal of the Delegation of Peru to delete sub-paragraph 2 (c) of Article 20.
