Chapter IV

Section A - Tariffs, Preferences, and Internal Taxation and Regulation

Article 16

Insert the following as paragraph 4:

"4. It is also within the meaning of exceptions under paragraph 2 preferences contemplated under agreement between members of the Arab League."

Section B - Quantitative Restrictions and Exchange Controls

Article 20

Paragraph 2, subdivision C, should read:

"Import restrictions on any agricultural or fisheries product, imported in any form, necessary to the enforcement of temporary governmental measures designed to alleviate burdensome surpluses and which operate:"

Explanation

In order to limit the use of obstructive and unnecessary quotas by members and to make it clear that such restrictions are of a temporary nature, thus responding more accurately to the aims of the Charter.
