On page 9, the last paragraph should read as follows:

2. Measures instituted or maintained under paragraph 1(b) of this Article which are inconsistent with the other provisions of this Chapter shall be removed as soon as the conditions giving rise to them have ceased, and in any event not later than 1 January 1951 at a date to be specified by the Organization: Provided that this period such date may be deferred for a further period or periods with the concurrence of the Organization, be extended in respect of the application of any particular measure to any particular product by any particular Member for such further periods as the Organization may specify either generally or in relation to particular measures taken by Members in respect of particular products.
