ARGENTINA: AMENDMENTS TO THE REPORT OF SUB-COMMITTEE C
(E/CONF.2/C.3/38)

The delegation of Argentina presents the following amendments to the Report of Sub-Committee C to Committee III contained in document E/CONF.2/C.3/38:

1. Page 5, paragraph 2, after the words "no support in the Sub-Committee." add the following: "The delegation of Argentina reserved its position.

2. Page 9, last paragraph, insert after the first sentence the following: "The delegation of Argentina reserved its position provisionally pending presentation of the final text of Article 24."

3. Page 11, at the end of paragraph 2, after the words "of the Geneva Draft." add the following: "The representative of Argentina requested that in the Spanish version of the Charter it should be stated that Article 35 refers to "tasas y cargas" (fees and charges) and not to "tarifas y cargas" (duties and charges), since in his country the term "derechos" is used as an equivalent of "impuestos" (taxes), and would thus be contrary to the terms of paragraph 1 of Article 35, which define "tasas" as understood in various countries."
