The delegate of the Philippines has requested that the following changes be made in the Working Party's Report:

1. Delete the phrase beginning at the bottom of page 1 "He preferred that the Philippines-United States Trade Treaty be revised;....."

2. Insert in place of the phrase deleted the following:
   "Perhaps it would be possible to revise the Philippines-United States Trade Treaty for the purpose of obtaining the same degree of incidence, but such a revision would neither be advisable nor practical in view of the relative unimportance of the matter involved;....."
