Each such customs territory shall be treated as though it were a Member exclusively for the purposes of the territorial application of Chapter IV; Provided that the provisions of this paragraph shall not be construed to create any rights or obligations as between two or more customs territories in respect of which this Charter has been accepted by a single Member.

2. For the purposes of this Chapter a customs territory shall be understood to mean any territory with respect to which separate tariffs or other regulations of commerce are maintained for a substantial part of the trade of such territory with other territories.
