THIRD COMMITTEE: COMMERCIAL POLICY

SUB-COMMITTEE B (PROPOSED NEW ARTICLE 18A)

NOTES ON THIRD MEETING

Held Monday, 19 January 1948, 6.00 p.m.

(Reference: E/CONF.2/C.3/B/W.2)

Chairman: Dr. J. E. HOLLOWAY (Union of South Africa)

The Chairman having opened the discussion on the new United Kingdom proposal, the representative of the United Kingdom explained that his amendment had been drafted in an attempt to take account of a number of objections raised with regard to the Norwegian proposal. He was supported by some Members of the Sub-Committee. Several other Members considered that the new draft did not show any substantial difference from the original proposal and insisted that the Charter or the Organization should not be concerned with services.

The debate was adjourned.
