A communication has been received from Committee V, containing the following recommendations for consideration by Committee III:

1. An additional exemption to the provisions of Chapter VI has been made by adding a new sub-paragraph (d) to paragraph 1 of Article 67:

"(d) to any inter-governmental agreement, relating solely to the conservation of fisheries resources, migratory birds and wild animals; Provided that such agreements are not used to accomplish results inconsistent with the objectives of this Charter and are given full publicity in accordance with the provisions of Article 57, paragraph 1 (e), and that if the Organization finds, upon complaint of a non-participating Member, that the interests of that Member are seriously prejudiced by the agreement, the agreement shall become subject to such provisions of this Chapter as the Organization may prescribe."

The Fifth Committee recommends that a comparable exemption be made in Chapter IV.

2. Sub-Committee 'A' of the Fifth Committee stated in its report that:

"In considering the relation of Chapter VI to the Charter as a whole, it was agreed to recommend to the Committee that it should discuss the desirability of requesting Committee III to amend paragraph 1 (h) of Article 43 to read as follows:

'(h) undertaken in pursuance of the terms of inter-governmental commodity agreements concluded according with the provisions of Chapter VI; or...'

It was considered that the word 'terms' conveys more appropriately the understanding of the Sub-Committee as to the desired exception from Chapter IV. It was felt that the word 'obligation' was subject to possible misinterpretation."

The Fifth Committee agreed to the suggestion of the Sub-Committee.
and accordingly recommends this change to the Third Committee.

It is suggested that Sub-Committee F may desire to consider these recommendations and incorporate its views in the Report.
