FOURTH COMMITTEE: RESTRICTIVE BUSINESS PRACTICES

REPORT OF THE WORKING PARTY

The Working Party considered the various suggestions made in regard to Article 48, during the seventh meeting of the Fourth Committee, held on 12 January 1948 and decided on the following text:

ARTICLE 48

Co-operative Remedial Arrangements

1. Members may co-operate with each other for the purpose of making more effective within their respective jurisdictions any remedial measures taken in furtherance of the objectives of this Chapter and consistent with their obligations under other parts of this Charter.

2. Members shall keep the Organization informed of any such co-operative action in which they participate.
