DRAFT CHARTER

COSTA RICA: PROPOSED AMENDMENTS

Article 94

Add the following sub-paragraphs
(Nothing in this Charter shall be construed:)

"(d) to prevent any Member from readjusting its customs tariffs, where such duties are based on the weight, quantity or measurement of articles imported and not on their value, and when such readjustment is made necessary by a legal devaluation of the currency of the importer.

"(e) to oblige any Member to abolish existing monopolies established in favour of the State or of its dependent organs, or legislative provisions granting the State the sole right to purchase, sell, produce or distribute certain articles or to provide certain services."
