SIXTH COMMITTEE: ORGANIZATION

REPORT OF THE WORKING PARTY ON THE QUESTION OF CONDOMINIA

Representatives of the delegations of Australia, Egypt, France, New Zealand and the United Kingdom, having been appointed by Committee VI as a working party to consider the problem of bringing condominia within the scope of the Organization, recommend, subject to confirmation by the Governments concerned, that the insertion of the following interpretative note to Article 99 would provide the most workable and appropriate solution to this problem:

"In the case of a condominium, where both or all the co-domini are Members of the Organization, they may, if they so desire and agree, jointly accept this Charter in respect of the condominium."
