In the light of the suggestions made this morning by the Chairman of Sub-Committee I, the delegate of South Africa tentatively proposes that the text of paragraph 3 in Article 83A be amended to read:

"3. The Members recognize that the Organization should not attempt to take action which would involve passing judgment, in whole or in part, on essentially political issues. Accordingly, in order to avoid conflict of responsibility between the United Nations and the Organization with respect to political matters, any measure which is directly in connection with a political matter brought before the United Nations in accordance with Chapter IV or VI of the United Nations Charter shall be deemed to fall within the scope of the United Nations, and shall not be subject to the provisions of this Charter. Such a measure, as well as the political matter with which it is directly connected, should remain within the jurisdiction of the United Nations until the United Nations decides that the measure should be dealt with by the Organization in accordance with the provisions of this Charter."
