On page 9 line 13 insert the words "and right" after the word "opportunity" and replace the rest of the paragraph by the following sentences:

"The principles of Alternative A and Alternative C were incompatible with the provisions of the Charter of the United Nations. The preamble, the Articles 2 and 55 of the Charter of San Francisco mentioned only the sovereign equality for all Members small and large. He observed and maintained that the elections to the Board should be modelled, as a superior norm, on elections of the Economic and Social Council, as determined in Article 61 of the United Nations Charter. He agreed with the representative of Mexico with regard to the wisdom of the electoral system in the Economic and Social Council and said that experience showed the wisdom, tact and the responsibility of small nations in applying such a system. He pointed out that the question of the composition of the Executive Directors of the International Bank and the International Monetary Fund had no relation to the matter under discussion, since the international community was built on the basis of the principle of juridical equality of nations."
