SIXTH COMMITTEE: ORGANIZATION

SUB-COMMITTEE ON ARTICLE 75 (COMPOSITION OF THE EXECUTIVE BOARD)

CORRIGENDUM TO SUMMARY RECORD OF FIFTH MEETING

(Document E/CONF.2/C.6/W.9)

On page 2, eleventh line from the bottom, after the sentence "It would be necessary to give due representation in this category for the various stages of economic development," insert the following to substitute the lines in that paragraph from the words "He thought ...." to the words "..... might be employed", as follows:

"He suggested the words: "chief economic importance taking account of the basic factors of population, external trade and national income". The group of states of chief economic importance should be representative geographically, and also from the point of view of equitable representation of countries of diverse types of economic structure and at varying stages of development. He also thought that the wording similar to that used for the Security Council in the Charter of the United Nations might be employed."
