CENTRAL DRAFTING COMMITTEE

PROPOSED REDRAFT OF THE FINAL TEXT OF ARTICLE 16

ADDENDUM

Article 16

General Most-favoured-nation Treatment

After the completion of its Report on Article 16, the Central Drafting Committee was informed of the decision of Committee III, at the suggestion of the Delegation of Turkey, that no list of countries is to be inserted in Annex K and accordingly that the word "named" in the second line of paragraph 3 of Article 16 should be altered to read "referred to".

In view of this decision the Central Drafting Committee suggests that the proposed Annex is not required and that paragraph 3 might be altered to read as follows:

"3. The provisions of paragraph 1 shall not apply to preferences between the countries formerly a part of the Ottoman Empire and detached from it on July 24, 1923, provided such preferences fulfil the relevant requirements of Article 15."
