Held at the Capitol, Havana, Cuba
Friday, 27 February 1948, at 10.30 a.m.

President: Mr. Sergio I. CLARK (Cuba)

CONSIDERATION OF A RESOLUTION TO THE ECONOMIC AND SOCIAL COUNCIL CONCERNING THE INTERIM CO-ORDINATING COMMITTEE FOR INTERNATIONAL COMMODITY ARRANGEMENTS (E/CONF.2/42)

The PRESIDENT, in declaring the meeting open, explained that certain alterations had been made in the Draft Resolution concerning the Interim Co-ordinating Committee for International Commodity Arrangements, adopted by the Fifth Committee, in order that the resolution might be transmitted immediately to the Economic and Social Council before the end of its current session. The suggested deletions and additions were shown in document E/CONF.2/42.

The Text of the Resolution to the Economic and Social Council concerning the Interim Co-ordinating Committee for International Commodity Arrangements was adopted with the alterations suggested in document E/CONF.2/42.

Mr. COOMBS (Australia) took the opportunity to say that the Australian delegation intended, at a later date, to submit the text of a resolution regarding the work of the Interim Committee in relation to the Wheat Agreement currently under negotiation. The successful conclusion of these negotiations would be of great importance in demonstrating the value of the provisions of the Charter relating to commodity arrangements.
