REPORT TO HEADS OF DELEGATIONS
BY THE SUB-COMMITTEE ON NOMINATIONS

The Sub-Committee on Nominations met at 10.30 a.m. and 4.00 p.m. on 23 November under the Chairmanship of the Executive Secretary. The Sub-Committee considers that, in order to make it possible to assure adequately the representative character of the General Committee, its membership should number eighteen instead of sixteen proposed in Rule 12 of the Draft Rules of Procedure contained in E/CONF.2/2/Rev.1. The Sub-Committee, therefore, recommends an appropriate emendation of the rule in question.

On the basis of a General Committee of eighteen members the Sub-Committee submits the following nominations for the consideration of the Heads of Delegations:
