PROPOSAL BY THE DELEGATION OF COSTA RICA REGARDING RULE 30

The delegation of Costa Rica, in view of the doubts raised concerning the legal authority of this Conference to amend Article 30 of the draft rules of procedure and the opinion expressed by the delegation of the Argentine Republic that the problem be referred back to the General Assembly, PROPOSES a motion:

to the effect that an ad hoc Committee be appointed to study the legal question at issue, as already proposed by the delegation of Cuba, and that the said Committee report directly to the General Assembly in order that voting shall be decisive and final.
