SECOND SESSION OF THE PREPARATORY COMMITTEE OF THE UNITED NATIONS CONFERENCE ON TRADE AND EMPLOYMENT

NOTE BY THE EXECUTIVE SECRETARY

My attention has been drawn to the fact that there is some uncertainty as to the nature of the annotations to be included in the Report of the Second Session of the Preparatory Committee. It may therefore be useful to set out the decision of the Preparatory Committee on this matter, arrived at at the twentieth meeting in Executive Session held on Monday 7th July, 1947. It was then agreed on the motion of the Delegate of the United Kingdom that there should be inserted in the text of the Report (a) reservations, and (b) such explanatory notes as are necessary in order to avoid a reservation. In addition, it was agreed that certain selected working documents might also be published at the same time as the Report, but as a separate document.

For full account of the discussion on this matter please refer to pages 15 to 21 of the verbatim report E/PC/T/EC/PV.2/2C.
