Activities of the Economic and Employment Commission and its Subcommissions

In paragraph 2 (iii) of the commentary on article 11 in the Report of the Drafting Committee (E/PC/T/34, page 9) the Secretariat was requested to report to the Preparatory Committee on the activities of the Economic and Employment Commission and its subcommissions insofar as they might relate to subjects under discussion in the Preparatory Committee, with particular reference to Article 11 of Chapter IV.

It will be recalled that representatives on the Drafting Committee were provided with copies of the full report of the first session of the Commission (E.255). Delegations are reminded that, in addition to the activities of the full Commission, the report dealt with the functions to be performed by the Subcommission on Economic Development (pages 11-16), and outlined the proposed functions of the Subcommission on Employment and Economic Stability (pages 17-50). A few copies of the report are available in the Secretariat and may be secured by interested Delegations for reference purposes from Mios Parce, Room 211, ext.2219.

In addition, the Secretariat has circulated to the Preparatory Committee the relevant resolutions adopted by the Economic and Social Council on the report of the Economic and Employment Commission (Documents E/PC/T/55 and 56).
