Corrigendum to Verbatim Report of Forty-third Meeting of Commission A (E/PC/T/A/PV/43)

The following corrections should be made in the remarks by the Delegate of Norway:

Page 28, line 3:

A period should be inserted after the word "importation" and the word "but" should be deleted. The sentence following, therefore, should read as below, with changes as underlined:

"If, for administrative reasons, it did not take place at once, I take it that as long as we do not impose the national product in the same way, it still comes under the clause of Article 24."
