Corrigendum to Verbatim Report of the Fifteenth Meeting of Commission B (Document E/PC/T/B/PV/15)

The last two sentences of the remarks attributed to Mr. E.H. Kellogg (United States) commencing on page 20 of Document E/PC/T/B/PV/15 with the words "With respect to the third Chapter" and concluding on page 21 with the words "of the Economic and Social Council" should be deleted and the following sentences substituted:

"With respect to the third Chapter, I see that, in its present form, the policy is to refer most of the work to the Economic and Social Council, and for that reason, I asked Dr. Coombs whether he was insisting upon a special commission in the International Trade Organization in addition to the Economic and Social Council itself and to its Sub-Commission on Employment and Economic Stability. In London we repeatedly expressed the opinion that we did not want to see the International Trade Organization establish bodies which would unnecessarily duplicate the work of the commissions of the Economic and Social Council."
