The following corrections should be made in the Summary Record of the above meeting:

**Page 3:**
In remarks by Mr. Holmes (United Kingdom) for the passage "The Report, more particularly the vital part of the Report which was the proposed text of Chapter VI, should be regarded as a whole. Every attempt had been made to see that it hung together." read "The Report, more particularly the vital part of the Report which was the proposed text of Chapter VI, should be regarded as a whole and as hanging together."

**Pages 16 and 17:**
The "Decision" should read "It was eventually agreed that the members of Sub-Committee II, with the addition of the representative of New Zealand, should re-assemble informally for the purpose of considering the New Zealand Delegation's proposal and that the proposal should be made available to the other members of this body in writing as soon as possible."
Page 18:

After the following quotation "Such observations as the Organization ....... may wish to make" Add "On the remark by the Chairman of Sub-Committee I that the object was to enable the Organization to express a view as to the effect on international trade generally, he said that he assumed that the Organization's observations would be of an ad hoc character directed to this point, the ordinary procedure for investigation by the Organization not applying in such an instance."
