Delete Article 50.

Amend Articles 48 and 49 as follows:

Article 48

1. A Member or Members substantially interested in the production, consumption or trade of a particular primary commodity or a competent specialized agency shall be entitled if they consider that special difficulties affecting the commodity exist or are expected to arise regarding the commodity to ask that a study of that commodity be made.

2. After "non-members having a similar interest" add "and competent specialized agencies".

3. Delete "problems" and substitute "difficulties".

Article 49

2. After "non-members having a similar interest" add "and competent specialized agencies".

3. Delete paragraph.

Miscellaneous Provisions

Article 57

If it is thought necessary to maintain the division of the Chapters into "Sections" Section "D" should be inserted before "miscellaneous provisions".
