Article 76

The Commission on Business Practices shall:

1. Perform those functions of the organization laid down in Article 40 (except the publication of reports and the making of recommendations to members concerning remedial measures).

2. Arrange the conferences and conduct, subject to the approval of the Executive Board, the studies provided for in Article 41.

3. Advise the Executive Board on all matters falling within the scope of Chapter VI.

This draft excludes, amongst others, the last sixteen words of Article 76 (1) (a) which should possibly be transferred to Article 40.
