Pursuant to the decision of the Sub-Committee at its Third Meeting to insert the provisions of Article IV of the Charter in the General Agreement, the following draft is suggested for insertion as a new Article XV in the Draft Agreement submitted by the Delegate for the United States:

**Article XV**

**Maintenance of Domestic Employment**

1. Each signatory government shall take action designed to achieve and maintain full and productive employment and high and stable levels of effective demand within its own jurisdiction through measures appropriate to its political, economic and social institutions.

2. Measures to sustain employment and demand shall be consistent with the other purposes and provisions of this Charter and in the choice of such measures each Member shall seek to avoid creating balance-of-payments difficulties for other Members.
