PREPARATORY COMMITTEE OF THE INTERNATIONAL CONFERENCE ON TRADE AND EMPLOYMENT

Corrigendum to E/PC/T/C.II/3

Committee II

Summary Record of Meetings:

Second Meeting
held on Wednesday, 23 October 1946

Page 4, lines 4-8 from end. The fourth sentence of the summary of Mr. Tung's remarks should read:

"He suggested that a country might be considered fairly industrialized and its transition accomplished when fifty per cent of its population are employed in modern industrial enterprises of production and distribution or when fifty per cent of its national income are derived from modern enterprises of industry, trading and finance".

Page 9 (last paragraph). The name of the delegate for Lebanon is Mr. DIMECKIE.
