The Commission on Business Practices shall have the following functions:

1. In accordance with Article 35 to receive and consider written complaints concerning restrictive business practices in international trade, to prescribe and call for information relative to such complaints and to notify members of complaints received; to request data, conduct hearings, report on its investigations to the Executive Board and make any recommendations which it may think fit; to request reports from members on the action taken as a result of recommendations made to them by the Executive Board and to prepare reports for publication by the Executive Board.

2. To arrange special consultative conferences between particular members and to assist in arranging consultations as requested by members relative to particular complaints, as provided in Articles 35 and 36, and to forward reports or recommendations by such conferences to the Executive Board.

3. Subject to the approval of the Executive Board and pursuant to Article 36, to conduct studies, and to make recommendations when appropriate to the Executive Board for action by members.

4. To advise the Executive Board as to information and other materials to be obtained from members or other sources in the
discharge of the duties and responsibilities of the Commission.

5. To facilitate inter-governmental arrangements for the international exchange, on a non-discriminatory basis, of technological information not involving national security.
