The first meeting of the Chairman's Committee will be held at 10:30 on Saturday, April 12, in Room Stenodactyl 3. Attendance will be restricted to Heads of Delegations or their Deputies, and their principal advisers. No strict numerical limitation has been placed on the number of advisers who may accompany the principal delegate but in order that the Committee may be a relatively small working Committee, it is hoped that Heads of Delegations will bring only those advisers who are really essential.

The business at the first meeting will be to give preliminary consideration to the procedure for tariff negotiations (Agenda item 5).
