Corrigendum to Summary Record of the Second Meeting of the Chairman's Committee (Heads of Delegations) (Document E/PC/T/De1.21)

The following corrections should be noted in the report of the remarks made by Dr. H.C. Coombs, Leader of the Australian Delegation:

(1) On Page 4, paragraph 7, the words "as far as the countries participating in the negotiations are concerned" should be added to sub-paragraph (d) so that it reads as follows: "The tariff schedules resulting from these negotiations should be multilateral both in scope and legal application as far as the countries participating in the negotiations are concerned."

(2) On Page 4, the following sentence should be substituted for the final sentence of paragraph 7: "The Australian Delegation was prepared to postpone consideration of detailed amendments to the Memorandum on Procedures, provided that this did not imply the acceptance of the rules of procedure in their present form. The Australian Delegation's reply to the Chairman's second question was that they were prepared to commence negotiations as soon as they were mechanically in a position to do so, and provided that this did not imply that they accepted the rules of procedure as outlined or the Charter, particularly such significant Articles as Nos. 14 and 24, in its present form."
