SECOND SESSION OF THE PREPARATORY COMMITTEE OF THE UNITED NATIONS CONFERENCE ON TRADE AND EMPLOYMENT.

NOTE BY THE EXECUTIVE SECRETARY TO HEADS OF DELEGATIONS

In accordance with the decision reached by the Chairman's Committee (Heads of Delegations) on April 30th, I have arranged for delegates to the First Session of the Economic Commission for Europe from countries also represented on the Preparatory Committee of the United Nations Conference on Trade and Employment to be issued blue delegation passes which will admit them to the Security Block of the Secretariat Building. ECE delegates will be issued such passes by Madame Pasquier, Room 230, upon presentation of appropriate identification.

As the Heads of Preparatory Committee Delegations from the countries concerned will be responsible for ensuring that ECE delegates given access to the Security Block comply with the security arrangements outlined in E/PC/T 39, it is suggested that Heads of Delegations may wish to bring this document to their attention.
