NOTES

(1) The Chapter and Article numbers are those used in the New York Draft. The new numbering proposed in the report of the Sub-Committee on Chapters I, II and VIII will, if approved, be employed in the final Plenary Sessions.

(2) Chapter III, VI and VII and Article 30 have already completed the Commission stage and are therefore not included in the programme for the period 8th to 14th August, 1947. The texts approved by the Commissions for these chapters, together with Legal Drafting Committee reports on them, will therefore be taken at the final Plenary stage.

(3) Sub-Committee reports will be circulated 48 hours before the Commission meetings at which they are to be discussed. They will be accompanied wherever possible by a report of the Legal Drafting Sub-Committee. When this is not possible, the Legal Drafting Committee report will be submitted at the final Plenary Session.
