SECOND SESSION OF THE PREPARATORY COMMITTEE OF
THE UNITED NATIONS CONFERENCE ON TRADE AND
EMPLOYMENT

SUMMARY RECORD

Twelfth Meeting in Executive Session held on Tuesday,
3 June 1947, at 2.30 p.m. at the Palais des Nations.

Chairman: H. E. Mr. Erik Colban (Norway).

The Committee unanimously approved the Fifth Report by

Mr. L. D. WILGRESS as Chairman of the Working Party raised
the question (in connection with document T/84a, Annex E) if
it would be considered advisable to publish the fact that the
negotiations between Czechoslovakia and the Union of South
Africa had been terminated.

Dr. J. E. HOLLOWAY (Union of South Africa) pointed out
that there were still certain minor points to be settled in the
negotiations referred to. Consequently the Committee decided
to postpone the publication until notice had been received
from the parties concerned.

With regard to the principle of publication, the Committee
decided that if agreement was reached in the tariff negotiations
of a given team, this fact might be published when the two
parties concerned had given notice of the agreement. No informa-
tion should be given, however, on the tariff rates agreed
upon.
