SECOND SESSION OF THE PREPARATORY COMMITTEE OF THE UNITED NATIONS CONFERENCE ON TRADE AND EMPLOYMENT.

DRAFT CHARTER

BRAZILIAN DELEGATION AMENDMENT TO ARTICLE 15a.

(Proposal by the United States Delegation)

The Brazilian Delegation accepts the proposal by the United States Delegation on the inclusion of a new Article between Articles 15 and 16 of the Draft Charter. Inspired by the same anxiety to promote the distribution of goods as underlies the United States amendment, and with a view to eliminating discriminatory practices in international trade, the Brazilian Delegation proposes that the following paragraph be added to the text of the aforesaid amendment:

"Member countries shall take the necessary steps to prevent transport or insurance undertakings from establishing discriminatory rates in favour of countries of origin or of destination."
